## New item Spotlight

Murcott Mandarin - CA

This delicious citrus is a hybrid of a tangerine and a sweet orange. They are most commonly used for their juice, so use it in a sorbet, make it into a jam, or use it to flavor a tart!

## Product News:

**Tomato** – Supply is starting to improve with Sinaloa MX starting production and Baja continue to harvest for another 3 weeks. Roma market has already dropped followed by 2-layer Rounds next.

**Mandarins** – Satsuma variety is ending for the season, we are moving to Murcott variety from Tulare County, expected to run through April.

**Ginger** - Chinese Ginger is gapping until early January. Until new crop Chinese ginger is available, we are stocking organic Peruvian ginger.
